The American Legion Department of Michigan is proud to partner with the Millman N.R.G Foundation to offer Adaptive golf as part of our Wounded and Returning Warrior Program. Our program strives to provide the best possible service to our wounded warriors! The Millman No Restrictions Golf, (N.R.G.), Foundation is the leader in Adaptive Golf Instruction here in Michigan and through their new cutting edge program, our wounded warriors are able to enjoy the freedom to play Golf once again, or to experience the joy of golf for the very first time! Activities such as Adaptive Golf not only increase mobility and self esteem, but have also been shown to reduce stress, promote the healing process and improve the overall quality of life!
